File #: TA08-02

Applicant: City of Sisters

Request: The Technical Advisory Committee (TAC) will be conducting a workshop on November 18, 2009 with the objective of updating specific sections of the Development Code. Staff will provide the TAC with suggested text changes at least one week prior to the workshop. The TAC will then review and refine staff's recommended verbiage, and will provide ideas at the workshop that might not have been identified in the draft.

Location: The proposed amendments will apply to all property within the City of Sisters jurisdiction.

Questions or concerns regarding this application should be directed to the Community Development Department at Sisters City Hall. A copy of the City's suggested text changes shall be available for review at no cost at least seven days before the workshop.
