## 2024 City of Sisters Public Safety Survey

Click [HERE](#) to take the Survey

Your feedback is crucial in shaping the future of public safety in our community. By participating in this survey, you provide valuable insights that will help the City Council understand your concerns and preferences regarding public safety measures in Sisters.

The purpose of this survey is to gather residents' opinions on various aspects of public safety, including traffic, crime, and concerns or suggestions you have for improving public safety in Sisters.

- The survey will be open until August 25, 2024.
- The survey can be completed online or on paper. Online submissions can be made through the link above, or on our website, while paper surveys are available at City Hall.
- Responses are confidential and individual responses will not be shared publicly.

Your responses will be analyzed and compiled into a summary report. This report will be presented to the City Council in November 2024, providing them with a clear understanding of the community's priorities and concerns. The insights gained from this survey will assist the City Council in:

- **Setting Priorities:** Identifying key areas of concern and focusing resources where they are most needed.
- **Enhancing Services:** Improving existing public safety programs and exploring new initiatives based on community feedback.
- **Building Trust:** Strengthening the relationship between the City Council and residents through transparent communication and responsive action.

We appreciate your time and effort in completing this survey. Your input is essential for ensuring that public safety measures in Sisters effectively meet the needs and expectations of our community. Together, we can work towards making Sisters a safer and more secure place for everyone.
